

Dear Parents/Guardians:

We will be having our Christmas concerts this week and encourage you all to attend. You will find the schedule listed below, and we will also be live streaming them on Jaguars Online if you are not able to see the concerts in person.

Thursday, December 6th

Grades 5th-12th Band Concert, 6:00pm.

Grades 5th-12th - Choir Concert, 7:30pm

Northern Cass will be holding a benefit for a learner and the Cass County Emergency Food Pantry. If you bring a non-perishable food item and \$1, you will receive two tickets to give you two chances to win a refurbished laptop. The Northern Cass Help Desk is leading this benefit. Along with the laptop, you will also receive one hour of training at your home and access to training videos created by our Northern Cass students. We will be raffling off a laptop and the drawing will be in between the concerts. Feel free to bring as many food items and \$1 donations to give you more chances to win and to make this benefit successful. You must be present to win.

Thank you
Northern Cass School
