

Junior Parents/Guardians,

Northern Cass is looking for volunteers to help lead the post-prom event at our school. This is an important event which provides our learners with fun activities while making sure they are safe on a potentially dangerous night. This event is only successful with your help. I'm asking for volunteers to serve on the Post Prom Committee. We have all the documentation from previous years and contacts. The most important part is having a team of 5-8 people to help plan, brainstorm, and supervise (along with educators). Please e-mail me at Cory.Steiner@northerncassschool.com if you will assist.

Dr. Cory Steiner,
Superintendent
