

Parents/Guardians,

The winter months have certainly been difficult. Today was a tough decision as the weather was fine, but road conditions throughout the district were a major concern. It was nearly impossible to get all our drivers and staff to school. We will always error on the side of caution to make sure everyone is safe. The following dates will now be used to make up the time we missed:

1. Monday, April 22<sup>nd</sup>
2. Friday, May 24<sup>th</sup>
3. We have an additional 2 days yet to make-up. Adding time to each day is a possibility. However, we will be applying for a waiver from the Governor's Office but must plan accordingly in case this is denied.  
We will keep you updated.
